Baltimore Show Report and Newps

July 2, 2013

Greetings!

We had a good show at Baltimore! The Summer show is smaller than the Spring and Autumn shows, but traffic was good, sales were good, and we bought some great coins, as we usually do.

Our newps include some great Seated halves including an 1839 No Drapery in PCGS XF-40:

and another 1839 No Drapery in PCGS F-15, an 1874-CC Railroad Track Reverse in PCGS VG-8, an 1875-S Micro S in PCGS VF-35, and two 1877-S Weir F (in HALF) coins, one in PCGS MS-63 and the other a raw AU. We also acquired some other great coins including an 1801 half in PCGS VG-10, an 1839-O Large O half dime in Good, an 1850-O Small o half dime in PCGS VF-30, several scarce Bust dimes, a beautiful 1880 dime in PCGS MS-65, an 1860-S quarter in PCGS G-6, a nice 1861 Seated dollar in EF, a wonderfully toned 1948-S quarter in NGC MS-66 star toned, and a beautifully toned 1879-S Morgan dollar in PCGS MS-63:

All of our coins including the following newps are posted on our website www.richuhrichcoins.com. If you see any coin(s) of interest, please call (717)533-2935 or (717)579-8238 (cell) or e-mail us at richuhrichcoins@comcast.net to reserve the coin(s) that you want.

| Other 10c thru \$1 | 1879-S Morgan Dollar PCGS MS-63 gorgeous! | 3,950 |

Looking Toward The Future

We will be closed July 4 but will be open July 5. Please note, if you want us to hold a coin for you during that time, call and leave a message, or email us, and state "HOLD THIS COIN". We will return those calls and emails in the order received.

My next show is the ANA show in Rosemont (near Chicago) Tuesday, August 13 to Saturday, August 17. I will be at Table #535 for the entire show. If you go to the show, please stop by and say hello!
